

AMEE 2018

Using 3D Software for Effective Anatomy and Physiology Learning

Join Laurie Ballantyne, Product Specialist with Primal Pictures, who will showcase exciting insights on Primal Pictures' platform and product enhancements that are changing the learning environment – including 3D Real-time in Latin terminology, as well as our newly-released product, Anatomy PALMs (Perceptual and Adaptive Learning Modules).

Session dates

Monday 27 August 12:45 – 1:30 pm

Tuesday 28 August 12:45 – 1:30 pm

Location

Room Helvetia 5,
1st Floor, Swissotel

Visit us

Primal will be at booth C19 – join us for a personal demonstration.
